Effective Dates			
For Waivers	If you wish to waive pre-tax treatment when premium conversion becomes effective on October 1, 2000, this form must be completed by you and received by your employing office the earlier of: the date set by your employing agency; or the day before the first pay period that begins on or after October 1, 2000.		
	Your decision to waive pre-tax treatment must be made during FEHB Open Season or within the specified time period after a Qualifying Life Event (QLE). If you change your participation during Open Season, it will become effective on the first full pay period in the following calendar year. If you change your participation as a result of a Qualifying Life Event, the change will be effective the first full pay period after this form is received by your employing office.		
	Newly hired employees who want to waive pre-tax treatment need to submit this form at the same time as SF-2809, Employee Health Benefits Election Form. Pre-tax waivers made by newly hired employees take effect at the same time that FEHB coverage is effective.		
	Your decision will continue indefinitely unless you later submit a new election/waiver form to change the tax treatment of your contributions to FEHB.		
For Restorations	IRS Guidelines—Restrictions on Changing Health Benefits Coverage (Pre-tax Treatment) To make a change outside of the FEHB Open Season, (switch plans or options, cancel your enrollment, or change from family to self-only) or to change your participation in premium conversion you must have experienced a QLE and the change in coverage must be on account of and in accordance with that QLE. This differs for employees covered by after-tax treatment, who may reduce their level of coverage at any time. The difference is because pretax treatment is subject to Internal Revenue Service (IRS) guidelines. Keep this information in mind when making your decision.		
	If your change is allowed, it will be effective the first full pay period after this form is received by your employing office.		
Qualifying Life Events (QLEs)	QLEs are events that may allow you to make a change in your premium conversion election outside of open season. Ask your employing agency for more information on whether your

outside of open season. Ask your employing agency for more information on whether your event meets the criteria of a qualifying life event.

With two exceptions (noted above), the rules for changing FEHB enrollment outside of Open Season do not change. The opportunities for you to enroll or change enrollment described in 5 CFR Part 890, and in the FEHB Employee Health Benefits Election Form (SF 2809) will continue to be allowed under premium conversion.

The IRS has additional events that will allow you to change your participation (election) in premium conversion. Please see OPM's website for more information.
